

Mother's Day Bouquet

Celebrate mom on Mother's Day by making her a beautiful handmade bouquet of flowers!

Materials Required:

- Empty soup can or empty jar
- Paper (construction or white paper to decorate)
- Colored markers, pencils, or crayons
- Scissors
- Glue or tape
- Popsicle sticks, drinking straws, pipe cleaners (any of these will work for the stems)

Instructions:

1. Trace your hand with a pencil or marker as many times as you'd like. Each hand will be a flower.
2. Use scissors to cut around your traced hand.
3. Write a message on each hand (flower) and decorate.
4. Glue or tape each hand to a popsicle stick, straw or pipe cleaner.
5. Decorate the can or jar.
6. Place your flowers and any other decorations in the can.
7. Give to mom on Mother's Day for mom to enjoy.
