2024 Summer Camp Descriptions (alphabetical order)

See our schedule for dates, times, cost and age groups for each camp. WINGS camps are also offered.

Ages 4-6

Be a Builder – Campers will become engineers this week as they exercise their brains and problem solve with Maker-Space style play! They'll be able to collaborate and create for a week full of fun!

BUGS and MORE!- Over the week children will participate in many activities, make crafts, and snacks all while exploring the world of BUGS! Real or fake, kids will have fun learning a lot about BUGS!

Cook with a Book- We are cooking with books! Campers will enjoy story time, create an edible treat and craft based upon a story. (*This camp may include Nuts, Milk products, and Gluten!*)

Dinosaur Camp-Get ready to ROAR, dinosaur campers! This summer week is all about exploring prehistoric lives of dinosaurs through songs, imaginative play, group investigations and creative activities.

Fairytale Camp – Once upon a time comes to life this week when campers take a magical adventure into enchanting worlds filled with castles, dragons, and fairy godmothers. This camp will spark creativity with imaginative activities and whimsical crafts!

FROZEN Camp-Come cool off with everything Elsa and Anna and of course OLAF! We invite children to dress up any day or every day during the week of camp! Campers will have a Fun Frozen week of crafts, singing, dancing, and learning that any FROZEN fan will love!

Icky, Goopy Slimy-Hands-on activities are the best way to experience science. If your child loves to get his/her hands dirty, they will love this camp.

Itty Bitty Theatre Camp – Hop up on stage in this weeklong look at the world of theatre. Campers will get the opportunity to explore the world of performing arts through games, storytelling, and acting exercises.

Little Astronauts – Let's blast off! Little Astronaut Camp will offer a captivating introduction to the cosmos through engaging activities and interactive experiences, fostering an early fascination with space exploration in a fun and educational environment.

Magical Mermaids- Who doesn't love mermaids and their mystical ocean life? This is the camp for you! Join us as we set sail on a magical adventure with mermaids! Campers will enjoy mermaid crafts, activities, and fun each day!

Music Camp – Discover the joy of music! Campers will explore rhythm and melody while we dance, sing, and create in this exciting week of camp!

Pet Pals-Taking care of a pet is a big responsibility! Campers will learn about caring for animals, create a variety of pet related crafts

Pirates and Princesses-Set sail for the land of make believe. Young pirates and princesses will go on treasure hunts and wild adventures throughout the week. Bring your creative spirit and imagination! Costumes are welcomed each day.

Rainbow Explorers-What makes a rainbow? Find out in this weeklong adventure in color! We'll explore colors in nature, what happens when you mix them up and use colors to create lots of art and fun!

Secret Garden-Collect pebbles, twigs, mosses and feathers from our spacious outdoors to create miniature environments for gnomes, elves and sprites. This week will be a magical adventure for any camper with an imagination!

Superheroes Camp-Grab your cape and shield-It's all about superheroes in this camp. The campers will participate in physical training, create their own costume, and meet some real-life heroes from the community. Campers will love finding out what their own superhero traits are for sure!

Wild Wild West- Saddle up for a week full of western FUN! This week campers will make a variety of fun Western crafts, snacks, and learn some great trail songs. Giddy UP!

Ages 7-11

Art Adventures-We're bringing the fun back to art while investigating our own artist within! Campers will have the opportunity to gain new skills, develop ways to express themselves, and learn about the world around them through fun, hands-on art activities.

Athletic Adventures-Come play ball with us this summer! Campers will explore a variety of sports, the importance of teamwork, and how fun it is to play outside.

Baking Challenge- Do you enjoy cooking? Are you competitive? Then this camp is for you! Your baking skills will be put to the test while you compete alongside your fellow campers. Who will be the ultimate baker?

Crazy Concoctions- All budding scientists will enjoy this week as we create one crazy concoction after another. Each day we will conduct experiments that focus on everyday chemistry. Some concoctions will even be edible concoctions that campers are sure to enjoy.

Holiday Cooking- A holiday isn't the same without yummy food. From Halloween to Christmas come help us cook the holiday favorites that will have your mouth watering all week long.

Innovate & Create- Maker-space style, this camp is focused on creativity, innovation, real-world problem solving and the spirit of invention. Campers explore hands-on challenges to unlock creativity and help them shine their brightest!

Mad Scientist-Are you mad about science? Mad scientist campers will go crazy for these exciting experiments, silly STEM projects, and ridiculous robotics.

Magical Creatures-Dragons, unicorns, and fairies oh my! This camp will explore these magical creatures and many more through hands-on fun this summer. Come learn about their myths and legends, and who knows maybe you'll even see one.

NASA ASTRO CAMP®-ASTRO CAMP® presents math and science principles through fun, hands-on activities that inspire future astronauts and engineers to learn about space with NASA unique activities.

Nature Camp-If you like dirt, flowers, trees, and bees this camp is for you. Nature camp is all about our mother Earth. The great outdoors is calling!

Ocean Explorers-All hands on deck for a week of watery fun! What lies below the ocean surface will come to life as campers explore sea life, play ocean inspired games and create ocean inspired crafts.

Outdoor Art-Many artists are inspired by the outdoors. Come catch your inspiration through this fun week of making art outside and exploring the wonders of the world.

Shark Week-This camp is for the shark fans out there! Campers explore the unique and diverse world of sharks through exciting activities and art projects.

Shutterbug-This camp is for the aspiring photographer in the family. Campers will learn photography basics and how to have fun with a camera through photo projects. Say Cheese!

STEM in the Kitchen-Did you know cooking is a science? Campers will enjoy a week of learning and experimenting in the kitchen and will even get the opportunity to eat some of their science experiments! (*This camp may include Nuts, Milk products, and Gluten!*)

Survivor Camp-The challenge is on! Campers will learn what it takes to live in the wild through hands-on activities and exploration.

Travelers Camp-Where can you go all around the world and experience different time periods all in one place? Here at Lynn Meadows Discovery Center! Travel with us and explore amazing things past and present.

Zoo Friends-Do you like to visit the zoo? This camp will bring the zoo to you! Campers will learn all about those wild animals through fun and exciting projects.
